Application to Take a Course
on the Pass or No-Credit System (A/P/N)

EFFECTIVE FALL 2025

To encourage students to pursue their interests in courses they might not otherwise take, students may select courses to be graded Pass or No-credit (P/N) subject to the following conditions.

1. A course may only be taken P/N if the student is above the freshman year and in good academic standing.
2. The course must be a YC/Syms course and not one transferred from any other school of the University.
3. Only one course each semester may be selected.
4. This form must be filed during the period specified in the Academic Calendar.
5. Only courses that are free electives may be taken as P grades. P grades may not be applied toward General Education requirements, Jewish Studies requirements, major/minor requirements, or for courses listed in the catalog as a correlate required for the major. In the case of pre-health science majors, no Biology or Chemistry electives may be taken P/N.
6. Students will receive either a grade of P (pass) or N (No credit) for coursework completed under this option. These grades have no impact on the student's overall grade point average. A P grade earns credit; an N grade does not. These grades cannot be changed at a later date.
7. Students do not need to inform the faculty that they are taking courses on the P/N system.
